Sony DCR-VX2100 3CCD MiniDV Handycam Camcorder w/12x

Great camera,just as advertised.had the same one before and loved it.this was a great find to be able to replace it with a brand new one.If you can find this model or the sony dcr-trv820 with its built in printer and larger 4"screen go for it.the picture quaility is close to hi deff and is a very duable camera as these two models were sony's flagship cameras at that time.
