(d 199706) that i've had since i was 18 and i'm 39 now,the gun has seen a lot of shooting through them years,and most of the shells were 3in magnum shot and slug,i've had no problems with this gun,i have yet to take it to a gunsmith to have any work done to it. my question is,is the gun worth anything for a trade in? please let me know,thanks.
