The Student Engineers' Council (SEC) is the representative body for all students in the College of Engineering at Texas A&M University. Formed by the Dean of Engineering in 1939, the SEC represents the concerns of engineering students and professional societies to the college administration and to the university as a whole.

SEC

Definition. In 1961, the Conference of Engineering Societies of Western Europe and the United States of America defined "professional engineer" as follows: A professional engineer is competent by virtue of his/her fundamental education and training to apply the scientific method and outlook to the analysis and solution of engineering problems.
