National Council for Behavioral Health Trauma-Informed Learning Communities-- More than 150 organizations have participated in four national trauma-informed care learning communities offered by the National Council since 2011. Participants have been able to create safer environments, address staff self-care, provide trauma-sensitive services, and avoid re-traumatization of those they serve.

A wide range of effective treatments is available for major depressive disorder. Medication alone (see Medication) and brief psychotherapy (e.g., cognitive-behavioral therapy, interpersonal therapy) alone can relieve depressive symptoms.

Depression Treatment & Management: Approach Considerations

The 2018 FIFA World Cup was the 21st FIFA World Cup, an international football tournament contested by the men's national teams of the member associations of FIFA once every four years. It took place in Russia from 14 June to 15 July 2018. It was the first World Cup to be held in Eastern Europe, and the 11th time that it had been held in Europe. At an estimated cost of over \$14.2 billion, it ...
