

there is a hole pdf

"There's a Hole in My Bucket" (or "...in the Bucket") is a children's song, based on a dialogue between two characters, called Henry and Liza, about a leaky bucket.

There's a Hole in My Bucket - Wikipedia

A black hole is a region of spacetime exhibiting such strong gravitational effects that nothingâ€”not even particles and electromagnetic radiation such as lightâ€”can escape from inside it. The theory of general relativity predicts that a sufficiently compact mass can deform spacetime to form a black hole. The boundary of the region from which no escape is possible is called the event horizon.
