

thesis for problem solution pdf

What is a thesis? For whom is it written? How should it be written? Your thesis is a research report. The report concerns a problem or series of problems in your area of research and it should describe what was known about it previously, what you did towards solving it, what you think your results mean, and where or how further progress in the field can be made.

Introductory Paragraphs. The introductory paragraph is the first-paragraph in the persuasive essay. I teach my students that their introductory paragraphs should have three parts: an attention-catcher, a thesis, and a preview. The introductory paragraph is perhaps the most important paragraph in the essay because it is the first and possibly last chance to make an impact on the reader.
