I found your article, "How to Publish a Great User Manual," to be a bit naive and amusing in its simplification of a profession. As a broadly and variously experienced technical writer familiar with not only the profession, but also the history of and research in the area of technical writing, please understand that:

The Export Polish MP command allows the user to export any loaded vector data sets to Polish MP format files. The Polish MP format is the input format used by the cGPSMapper application which creates custom maps for Garmin GPS units.. When selected, the command displays the Polish MP Export Options dialog (pictured below) which allows the user to set up the export.
