Read more about Sisler Manufacturing Group by clicking the red titles below. You will find more in-depth information about our Company History, Mission, Values & Vision, 6D Methodology, 5S & our Company Culture.

### **Sisler Manufacturing Group - smgmfg.com**

Computer-aided manufacturing (CAM) is the use of software to control machine tools and related ones in the manufacturing of workpieces. This is not the only definition for CAM, but it is the most common; CAM may also refer to the use of a computer to assist in all operations of a manufacturing plant, including planning, management, transportation and storage.
