traktor is known as combat machine, you just gotta learn how to use it properly. for me, traktor is the best software, you will also easily beat serato or cdj in back to back competition. meaning it is basically made for battle. more durable, more sturdy, more accurate, more stable, more features, more weapons.

**Amazon.com: Native Instruments Traktor Kontrol S8 DJ**

A tractor is an engineering vehicle specifically designed to deliver at a high tractive effort (or torque) at slow speeds, for the purposes of hauling a trailer or machinery used in agriculture or construction. Most commonly, the term is used to describe a farm vehicle that provides the power and traction to mechanize agricultural tasks, especially (and originally) tillage, but nowadays a great ...
