

tufts engineering open house pdf

We will host an Engineering Open House (EOH) program in the fall to introduce you to everything engineering-related at Tufts. The open house is an opportunity for us to walk you through our curriculum, undergraduate research and internship opportunities, and what our engineers do outside of the classroom.

Engineering Open House - Tufts Admissions

Engineering Open Houses Tufts hosts special open houses for high school juniors and seniors who are considering applying to the Tufts School of Engineering. Click through for more information on the Engineering Open House and the Women in Engineering at Tufts program.
