I've got a Sears Craftsman's lawn tractor that was made by Husqvarna. The model # is 917.289244 . What I am looking for is a service manual for this mower. I can't seem to find one when I search under the Craftsman's model number. Anybody know what the Husqvarna model number for this mower would be? Or perhaps where I could find a .pdf file for this mower to download?
