World energy consumption is the total energy used by the entire human civilization. Typically measured per year, it involves all energy harnessed from every energy source applied towards humanity's endeavours across every single industrial and technological sector, across every country. It does not include energy from food, and the extent to which direct biomass burning has been accounted for ...

David Lee Wells (born May 20, 1963), nicknamed "Boomer", is an American former Major League Baseball pitcher. Wells was considered to be one of the game's better left-handed pitchers, especially during his years with the New York Yankees and the Toronto Blue Jays. He pitched the 15th perfect game in baseball history. He is tied only with Kenny Lofton for appearing in the post-season with six teams.
